He is also currently conducting auction in Kuala Lumpur High Court and Shah Alam High Court. He has served as a councilor in Petaling Jaya city council (MBPJ) from 2000 to 2008.

Poly

Properties primarily specializes in the marketing of real estate of landed properties, strata properties and specific use land parcels for residential, commercial and industrial purpose.

Poly

Properties is an established real estate agency registered with the Board of Valuers, Appraisers and Estate Agents, Malaysia and commenced its business from a humble operating office at Petaling Jaya Old Town to its present new premises at No. 19-3, Jalan Petaling Utama 11, Taman Petaling Utama, Batu 7, Jalan Klang Lama, 46000 Petaling Jaya, Selangor Darul Ehsan.

2. Our Mission Statement

a) To provide quality professional services to our clients

- Striving to achieve excellence in customer service

b) To uphold high ethical standards as a Real Estate Agent

- Maintaining our honest and faithful service to our clients and customers

c) To improve the quality of life of our employees

- Through continual management support and the creation of a conducive working system and environment.

In Poly Properties we believe that professionalism is the result of extensive and continual training. Our team of real estate professionals have undergone through theoretical and practical training programme thus ensuring our clients and customers of their professional skill and ability pertaining to the latest property trend as well as the knowledge of statutory legislations and regulations of the industry.

This is further guaranteed with the establishment of our associate company, Poly Training & Seminar Sdn Bhd which provides basic and continual training to our real estate professionals.

Recently, the housing and real estate industry has

moved towards a different trend particularly from the marketing aspect. Many developers are seeking the help of professional-trained real estate agents to market their products in order to ensure smooth and rapid sales turnover. At the same time, developers are able to minimize the costs of training and managing the marketing personnel. This new trend is particularly evident where even Danaharta engages the services of these real estate professionals to market and sell their properties.

Our Track Record

Over the years we have successfully marketed more than 50 projects, kindly refer to "Projects Sold" for some of our recent projects.

We are in the panel of real estate agents for auction sales of NPL properties in the local and foreign banks. In 2005, we achieved 2nd position for most number of auction sales in HSBC. Recently, in 2007, we achieved the top position for Alliance Bank.
